## **Research Mandate 40**

*2018-19*

# **Galgotias University**

Plot No. 2, Yamuna Expressway,  
Opposite, Buddha International Circuit,  
Sector 17A, Greater Noida,  
Uttar Pradesh 203201, India

**Mandate 40: At least one refereed journal publication per semester by each faculty either alone or with one more researcher, one active funding project for each divisional research group exceeding a total fund amount of Rs. 50 Lakhs per school per semester, at least 30% of faculty members having active consultancy projects exceeding a total fund amount of Rs.10 Lakhs per school per semester, etc.**

## 1. Introduction

- This mandate enforces that the Dean/PC/DC/Faculty shall ensure that the research work is carried out and meet the targets as specified by the university.
- The process mentions the organizational structure of GU research, various categories of research to be carried out and targets to be met by faculty.

## 2. GU Research

- The Dean – Research shall monitor and control the research progress of academic and sponsored research under the guidance of PVCs, Vice Chancellor and Honorable Chancellor.
- At the university level, University Research Committee (URC) shall be made which comprises research experts from various schools, selected on an annual basis, by Honorable Chancellor, Vice-Chancellor and PVCs.
- The Dean of each school shall be responsible for managing the research activities in collaboration with Division Chairs and School Research Committee (SRC), and shall report the progress of disciplinary research by each faculty to Dean-Research and URC at the end of each semester.
- The Dean/SRC shall identify divisional research groups under each division and submit the entire list of divisional research groups in the school to URC at the beginning of each academic year.
- The Dean-Research through URC, shall be identifying the strategic research groups where each group will have a chair (see the organizational structure of GU research as shown in Figure 1) at the beginning of each academic year.
- Each strategic research group shall concentrate on a particular research area of inter-disciplinary nature.
