

GALGOTIAS UNIVERSITY

Syllabus of

Name of School:

Department:

Year:

School of Law

Vision:

To be globally recognized for Pragmatic Hands on Experiential Legal Education, emphasizing on Research, Innovation and Value Based Education.

Mission:

Establish State -of-art facilities for world class legal education and research.

Make students industry ready, such that they are grounded with legal knowledge and equipped with skills required for the legal profession.

Develop Students' critical analytical and legal reasoning skills through students' centric approach and innovative pedagogy.

Prepare ethical professionals, emphasizing on Justice Education.

Program Educational Objectives

PEO1: Attain careers as academicians, legal researchers, policy advisors or legal practitioners;

PEO2: Utilize the foundation and become proficient in legal research and critical argumentation;

PEO3: To inculcate values of lifelong learning and being a responsible citizen to uphold spirit of the constitution with global outlook

PEO4: Post-graduates will be equipped with enhanced legal insights that will lend them a cutting edge over ordinary law graduates in the judicial profession.

PEO5: Post-graduates will have leadership skills with high level of integrity and also have the ability to function professionally with ethical responsibility as an individual as well as in multidisciplinary team with positive attitude.

Program Specific Outcomes

The Programme Specific Outcomes (PSOs) are specific statements that describe what post graduates are expected to learn, and be able to perform in a specialised area of discipline, upon post graduation from a programme. The PSOs of Master of Laws (LL.M.) programme are as follows:

PSO1: post-graduates will be prepared to offer specialised expertise in the field of corporate law; benefitting the corporations at large and contributing to the growth of business sector as a whole.

PSO2: Inculcate critical thinking and argumentative skills through scholarly research.

PSO3: Integrate research with theoretical aspects with reference to contemporary and traditional legal areas like Constitutional Law and Criminal Law, in the society, and demonstrate their research capabilities in contributing towards the growth of these broader disciplines of law.

PSO 4: Students will be inculcated traits of critical thinking required for an expert in international law, and to use their analytical skills while undertaking any research in the legal field.

PSO 5: Develop academic and ethical values to achieve excellence in legal research.

PSO 6: Students will be prepared to offer specialized expertise in the field of IPR and emerging areas of technology and law, participating in field of innovation benefitting the corporate and contributing to the growth of business and research sector as a whole

Programme Outcomes

Programme Outcomes (POs) are attributes of the graduates of the programme that are indicative of the graduate's ability and competence to work as a legal professional upon graduation. Programme Outcomes are statements that describe what students are expected to know or be able to do by the time of graduation. They must relate to knowledge and skills that the students acquire from the programme. The achievement of all outcomes indicates that the student is well prepared to achieve the programme educational objectives down the road. The following 5 POs have been chosen by the Centre for Post Graduate Legal Studies, Galgotias University. The curriculum of LL.M. at GU has been designed to fully meet all the 5 Programme Outcomes:

PO1: Develop advanced knowledge and comprehension of legal research methodology and be able to Conduct effective legal research on diverse Legal topics (Legal Knowledge)

PO2: Acquire knowledge and understanding of the historical, theoretical and sociological perspectives And academic debates which underlie the substantive areas of law independently write research articles and undertake research studies on different topics. (Research Skills)

PO3: Formulate alternative arguments on core issues and areas of conflict, and be able to present a Reasoned opinion based upon relevant material and research and also develop a sense of social responsibility and commitment, and work on various socio-legal issues. (Social Responsibility)

PO4: Demonstrate critical thinking skills and ability to critically analyze contemporary legal Developments (Critical Thinking).

PO5: Develop and demonstrate analytical skills to interpret various judgments of domestic and international courts of law and different provisions of law; and re-interpret the opinions and submissions of learned jurists and academicians. (Analytical Skills)

Semester	Core Courses			Total Credits				Total Credits
