" Introduction "

Galgotias University exemplifies its commitment to Sustainable Development Goal 10 (SDG 10) – Reducing Inequality– through transformative initiatives and impactful events. The university's "Inclusive Futures Initiative" offers enhanced scholarships and financial aid to empower students from economically and socially disadvantaged backgrounds, breaking financial barriers and ensuring equal access to quality education. The "Equality Matters Summit 2024" further reinforced this mission, bringing together activists, policymakers, and students for discussions, workshops, and seminars on gender equality, economic disparities, and social justice. Strengthening its community outreach, Galgotias University launched the "Bridging the Gap Outreach Program" in collaboration with leading NGOs and government agencies. This program involved field research, community service projects, and internships tackling issues like gender disparities and rural education, providing students with hands-on opportunities to make a tangible difference in underserved communities. By championing equity and fostering collaboration, Galgotias University equips its students to lead with purpose, shaping a future where inequality is a challenge overcome by collective action and shared vision.

Promoting Equality Through Inclusivity

Galgotias University Celebrates World Disability Day

Equality and inclusivity are crucial for a flourishing world, as wealth concentrated in the hands of a few breeds financial and social discrimination. Galgotias University's celebration of World Disability Day and the 2nd Anniversary of its Disability Rights Clinic embodied this vision. Under the theme "Family Inclusiveness," the event highlighted the role of acceptance in empowering individuals with disabilities. With impactful performances, discussions, and testimonies, the program showcased the importance of dismantling societal barriers. By promoting equal opportunities and self-sufficiency for all, regardless of disabilities, Galgotias University reaffirms its commitment to building a prosperous and inclusive future.

Financial Awareness Camps in nearby Community

Empowering Young Minds

School of Finance and Commerce at Galgotias University organized a Financial Awareness Camp at the Kailash Satyarthi Children Foundation, Chhatarpur, New Delhi. A team of ten students and one faculty member conducted a series of activities aimed at promoting financial literacy and holistic development among underprivileged children and their parents. The event began with the distribution of study materials, including notebooks and pens, ensuring every student received equal resources. A brief educational session covered key topics like budgeting, financial planning, saving and investment, and the importance of education. Motivational discussions encouraged students to dream big and explore innovative ideas. Social and cultural activities, including games, storytelling, and interactive sessions, fostered teamwork and cultural exchange. This camp not only educated but also inspired young minds, reinforcing Galgotias University's commitment to empowering communities through knowledge and compassion.

Celebrating Women's Day: Embracing Equality & Empowerment

Galgotias University celebrated Women's Day with an inspiring event that championed inclusivity and equality. Rooted in the spirit of Sustainable Development Goal 10, the celebration aimed to promote empowerment and reduce inequalities through unity and awareness. Musical performances created a harmonious atmosphere, while interactive games fostered camaraderie among attendees. The Vice Chancellor's powerful address underscored the importance of equal opportunities for all, reinforcing the university's commitment to breaking barriers. Poignant moments, like Actors Hub's performance on women's harassment, highlighted the urgent need for societal change. Ending with a rousing game of Tombola and an open dance, the celebration echoed the message that empowering women uplifts society, driving equality and inclusivity for all.

Women's Empowerment Through Skills for Economic Independence

This event highlighted the transformative role of skill-building in fostering economic autonomy for women. Organized with the aim of empowering women through education, training, and networking, the event featured an inspiring keynote address by a renowned women's rights advocate who shared her journey toward self-reliance. Engaging sessions focused on skill development for entrepreneurs, digital literacy, financial planning, and vocational training. Hands-on workshops taught practical skills like basic computer literacy, sustainable farming, and craftsmanship. A dynamic panel discussion showcased successful women leaders sharing insights on overcoming societal barriers and the importance of mentorship. The event also provided networking opportunities, enabling attendees to connect with industry experts and trainers. Concluding with a call to action, the program reinforced the importance of continuous learning, collaboration, and community support in advancing women's economic empowerment and societal status.

Workshop on Diversity, Equity, and Inclusion

An engaging workshop on "Diversity, Equity, and Inclusion" (DEI) was held on April 4, 2024, by the Division of Chemistry, School of Basic Sciences, Galgotias University. Led by Mindset & Performance Coach and Founder of Mindlife Bliss India, the session aligned with Sustainable Development Goal (SDG) 10. Dr. delivered an insightful session, emphasizing the importance of accepting diversity, equity, and inclusion as integral societal values. Through interactive discussions and practical examples, participants explored concepts like fairness versus equality and the significance of belonging-ness in inclusion. Faculty members enriched the dialogue with perspectives on ensuring equitable access to education and fostering inclusivity. The workshop concluded with a vote of thanks, leaving a lasting impact on attendees.

Global Sustainable Development Congress 2024

The Global Sustainable Development Congress focuses on addressing SDG 10: Reduced Inequality, bringing together global leaders and innovators to discuss actionable solutions for creating a more inclusive and equitable society. This event challenges traditional thinking, urging universities, governments, businesses, and communities to direct their efforts toward reducing inequality through education, research, and innovation. Delegates from around the world will engage in sessions centered on societal transformations needed to achieve SDG 10. The congress will feature impactful case studies, insights from thought-provoking panels, and collaborative workshops designed to foster inclusivity. Networking events will provide opportunities to build alliances and learn what is needed to scale solutions that tackle inequality. The congress emphasizes the importance of creating equal opportunities, improving access to resources, and ensuring that no one is left behind, driving collective action towards a more equitable and sustainable future.

Ageing with Dignity

The two-day regional seminar on "Ageing with Dignity: The Multidisciplinary Perspectives into the Problems and Prospects of Senior Citizens of India," organized by Galgotias University, aligned with SDG 10: Reduced Inequality. This event aimed to address the challenges faced by the elderly in India and explore solutions to promote inclusivity, dignity, and equality. Participants, including senior citizens, academicians, and policymakers, engaged in discussions on topics such as financial management, sociological challenges of aging, and public policy interventions. The seminar emphasized the importance of providing equal opportunities, improving the quality of life, and ensuring constitutional safeguards for the elderly. Sessions on economic dependency, peace education, and heartfulness perspectives highlighted the need to foster a culture of respect and support for senior citizens. The seminar reinforced the commitment to reduce inequality and ensure that the elderly population in India enjoys a life of dignity and equal opportunities.

Accessible Infrastructure & Technology

In alignment with SDG 10: Reduced Inequality, our campus provides inclusive healthcare services through HCL Healthcare, featuring doctor consultations, specialty care, mental health support, and eye care facilities. Additionally, our state-of-the-art Physiotherapy Lab offers advanced training and hands-on experience, fostering equal access to quality healthcare and education for all students.
