

## **Programmes**

### **Doctor of Philosophy (Ph.D.) in Chemistry**

**Course Intensity:** Full Time Programme

**Duration:** 3 years

#### **About the programme:**

Division of Chemistry at Galgotias University offers Doctor of Philosophy (Ph.D.) degree where students are fortified and motivated for potential research in various fields. Different research groups, funded projects, national and international collaborations are some of the key factors of this world class program. Various subfields where a student can pursue this degree are:

- Nanomaterials
- Synthetic Chemistry
- Polymer Chemistry
- Computational Chemistry
- Bio-organic/ Bio-inorganic Chemistry
- Analytical Chemistry
- Natural Products
- Pharmaceutical and Medicinal Chemistry

**Eligibility:** A Master's degree from a recognized Indian University or any other equivalent degree to the satisfaction of the Academic Council of the University, in the relevant field, with not less than 55% marks in aggregate or 6.0 CGPA on a 10-point scale or equivalent.

**Tuition fee per annum:** 75000

**Exam fee per annum: 15000**
