

BA (Hons.) Liberal Arts

A True Multidisciplinary New Age Program

BA (Hons.) Liberal Arts is a multidisciplinary program. BA (Honours) Liberal Arts enables learners to develop a multidisciplinary perspective. Students can redress issues and problems basing multidisciplinary analysis. It encompasses a broad array of subjects. Liberal Arts helps learners gauge their strengths and enable them to apply learnings in their area of study. The Program encompasses diverse areas of study like Economics, English, Political Science, Psychology, Sociology, Creativity & Innovation, Hindustani Classical Music, Social Work, French, Japanese, Public Policy and Governance, etc. BA (Hons) Liberal Arts is a multidisciplinary new age integrated and interdisciplinary program that offers students 300 plus courses from multidisciplinary, ability enhancement courses, skill enhancement courses, value added courses with a combination of Major and Minor courses from various interdisciplinary fields. International immersion programs, study tours, industry visits, national study tours, and rural immersion program is an integrated part of program design. Students work on various projects at the undergraduate level itself. There is a dedicated semester for internship. Moreover, students work on research projects/dissertations/ business projects /start-ups. This program adopts various innovative teaching-learning methodologies and assessment patterns, fieldwork, workshops, seminars, audio-visual aids, exhibitions, visits, etc, which nourishes students to think critically and to make strategic decisions. The 21st century is the era of people with multiple skills and employers are looking for people with multiple skill sets. BA (Hons.) Liberal Arts facilitates students to analyze situations from multiple perspectives and enables them to figure out feasible alternatives to solve an issue. Students also develop sensitivity in dealing with the complex problems of industry and society. BA (Hons.) Liberal Arts enables a multidisciplinary approach amongst learners which opens multiple career prospects.
